

January 2017

Jesus made three comparisons between past generations and (what describes) ours... to clearly and concisely address His observation of an “*I don’t care*” attitude ⇨ Matthew 12, Luke 11, John 21: the **sign of Jonah**, the **Queen of Sheba**, and the **men of Nineveh**...

The **sign of Jonah** (beyond the aspect of the resurrection ⇨ Matthew 12:38-40): Jonah the prophet of God had **the Word of God without the heart of God** ⇨ Jonah 1-4. Giving God our heart starts at salvation but us getting God’s heart never stops. To have Jesus as Savior without having Jesus as Lord of our life is impossible; a lie ⇨ Acts 15:11, 16:31, Romans 10:9. Matthew 7:21-23 ⇨ clarifies believing this lie brings eternal doom.

The **Queen of Sheba**: a) **heard** of King Solomon’s wisdom (from God whom she did not know or worship), b) whole-heartedly investigated to see if it was true, and c) **found** it was true ⇨ Matthew 12:42, Luke 11:31, 2 Chronicles 9. Jesus, the Son of God, is far greater than Solomon (God created Solomon and his wisdom); and God makes Himself available to everyone through Jesus ⇨ Deuteronomy 4:29, John 3:16, Jeremiah 29:13.

The **men of Nineveh** fully repented from brutal evil once they heard Jonah say God hated their evil and would destroy them... unless they repented ⇨ Jonah 1:1-2; 3:1-10. Revelation 3:15-16 ⇨ the polite complacency of an “*I don’t care*” attitude makes Jesus vomit in disgust. Jesus prefers the cold sins of Nineveh over an “*I don’t care*” attitude.

Jesus summarized Christianity: actually love God with everything we are and have, and actually love our neighbor as our self ⇨ Luke 10:27. **Christianity** needs **correcting** when people **change or disobey God’s definition of Christianity**. Lucifer became Satan this way ⇨ Luke 10:18, Isaiah 14:7-17; and **no excuse exists for it** ⇨ Romans 1:20-25.

Correct Christianity is easy enough for a child:

- **Respond** to God’s unconditional love.....how God contacts us.
- **Love** God’s only Son Jesus Christ.....how we are able to access God.
- **Personalize** God’s Word, the Bible..... how God teaches us.
- **Build** intimacy with the Holy Spirit.....how God converses with us.
- **Overflow** with love to those without God....how God contacts others.

Christian label wearers compromise this list, whereas Christians keep growing into it. If we “*don’t care*” if others become Christians, then our **Christianity** needs **correcting**... *we lack the central component of God’s love*; His other-centeredness, the very crux and only way that allows us to have a relationship with the only true God in the first place.

A recent survey reveals 80% of Christian label wearers “*don’t care*” and “*don’t do*” anything to help others to get to know God. Biblically, we do not expect to see them in Heaven; their self-evident polite complacency will not own Christianity, but rather an industrialized (per)version of Church which un-Biblically leaves all the work to ‘leaders’. **Christianity breeds Christianity; only Christians stop Christianity: hypocrisy that erases their own name from Heaven** ⇨ Psalm 69:28, Revelation 22:19... **if not corrected.** ♥
