## PRAYER

Our prayers change eternity... actually; all because of Who we pray to: the one and only true God! We found it necessary to have at least one day every week (usually Wednesday) where we focus extra on God in Bible study, meditation, conversation, fasting and prayer for the whole morning and into the afternoon. We love these times, and God honors them with intimate two-way communication between us and the Holy Spirit. Our work load and ministry success would be *impossible* without these weekly appointments. God literally instructs, exhorts, helps, and has even healed us in them.

### THE NATIONAL DAY OF PRAYER

May 4, 2017 is the National Day of Prayer and the official gathering area for our city of Coatesville, PA is Coatesville Bible Fellowship. Find your town location at [www.NationalDayOfPrayer.org](http://www.NationalDayOfPrayer.org) on the internet. We have the privilege of helping with this event: not just praying but facilitating “intentional and focused interaction with the community around us” as the Pastor is exhorting all who attend. There is 24x7 prayer before May 4, so please intercede for the needs you are aware of where you live.

### THE FIRST FRIDAY PRAYER MEETING

May 5, 2017, the very next day, is our monthly first Friday city-wide Prayer Meeting. Being never the same twice, this meeting targets specific situations and strategic locations in spiritually powerful and effective prayer. In our fourth year, we prove God answers prayer. Inside our Coatesville Neighborhood Center, the 10 foot high x 12 foot wide prayer map shows all 157 city streets and folks will write prayer requests on sticky notes, attach them where needed, and then pray fervently until God reciprocates via intimate communication from the Holy Spirit about the matter. This persistence is called ‘praying through’ by all who take ownership of the power of prayer by frequent, joyful use!

### YOUR PRAYER REQUEST

Please send your confidential prayer request if you want us to join you in praying about it. Faith is a verb; the Bible says we please God by exercising it, and that it needs works along with it to be alive.

### OUR PRAYER REQUEST

**Please join us in prayer for** all the above prayer topics, plus for our **#1 NEED**: people to come here and help us show the lost and hurting what God’s love is!

### ANSWERED PRAYER !!!

Last time we requested prayer regarding our (rusting out) ministry vehicle. Within a few hours of that newsletter being sent out, one of you called us from another state to say you were donating your 2011 SUV (!) to help us minister here (see ↓ picture below). Before giving it, the donor had it serviced

so it immediately passed PA vehicle inspection. **WOW!** That donor family is impacting many souls for eternity through their generosity, and God will reward them eternally for it. This vehicle helps feed the poor, transports both those who minister and those who receive ministry, and enables so many aspects of our missionary work. **Thank you to all of you who support God’s work here!** ➡

### **MINISTRY TO WOMEN**

God is releasing Kathy into much more ministry to women here. After years of seeking God for freedom in a difficult area of her life, God has Sovereignly answered with a miraculous inner healing. She is growing relationships with multiple women and seeking God for His Will concerning regular discipleship times with them. Thank you for your prayers for God's direction and continued anointing on this ministry. *{personal note: This is a specific answer to one of Loren's prayers, who is thrilled! Some of you know some of the decades of trials Kathy has praised God through. It is payback time; God's favor has come. We had a prophetic word spoken over us recently: 1) that now was the time in our life for God's favor, 2) that it would start small and keep increasing, and 3) that it would not stop. Five days later, the SUV (see page 1) was donated (and that was God's "SMALL start"! ). Next, God started unleashing Kathy's inner healing, and is healing both of us, and great ministry is increasing!}*

### **MINISTRY TO MEN**

Loren loves his Thursday night men's R&D (relationship and discipleship) meeting. It all started a few years ago when some men from one of the homeless shelters requested a personal Bible study. The shelter leadership said they would do it, but did not do it, so it was born at our YWAM CNC (the Youth With A Mission Coatesville Neighborhood Center). It is not your average Bible study; it keeps relationship building first to keep the discipleship believable and applicable. The cost is continuous two-way communication with the Holy Spirit on how to minister God's Word to the specifics of these men's lives. The result is their strong and deep spiritual growth; they are mighty men in the making.

The men who attend are precious to Loren, who sees them through God's eyes: with His gifts and talents that need life infused into them from the wreckage of life-debilitating problems. The beauty and advantage that broken lives have over other people is: that these people **own** knowledge of what life gone wrong is; **this** street experience has them obey Scripture right away! Their hearts **know** the pain of being lost so they **love** sinners just like Jesus did. In Luke 7:47 Jesus said, 'those who have been forgiven little love little, and those who have been forgiven much love much.' These guys love much.

### **MINISTRY TO COUPLES**

Loren and Kathy celebrate their 34<sup>th</sup> wedding anniversary this summer! God brought us through a **LOT** of tough stuff... oftentimes seemingly by the very long, slow road. God is the Redeemer, definitely including our worst for His best. It looks like God is preparing to release us into our long-term heart's desire of concentrated ministry to couples. **Please pray this into fruition**; the harvest is plentiful here.

### **INTERESTED IN SUPPORTING THIS MINISTRY ???**

Please contact us if you are interested in supporting all of this ministry and even more. Options are available. Two goals we have: 1) *increase our regular prayer support* as what we do is nothing short of intense; and 2) *increase our regular financial support* so we can reduce or eliminate our part time labor (a.k.a. 'tent-making'). We want to be free to do more work here. We are the only two who have committed to minister full time at YWAM in Coatesville. We love the ministry: it has a high personal cost but an astronomical personal eternal payback from God. We get to see amazing things most folks do not... which are truly beyond words! **We wish you were here!** Love , Loren & Kathy Falzone
