above all we ask or think, according to the power (God's) that works in US... this means that you and I ARE God's designated delivery system for His amazing power! Not knowing or not utilizing this Bible fact often prevents miracles from happening through our lives... yet God's Word is always true. God Himself remains ready, willing and able to demonstrate His life-changing power through those who believe Him to minister to those who *will* believe Him. It all comes down to us sharing the Gospel... *just like someone did for us*. Only Christians have the power to stop Christianity... by silence; and, only Christians have the power to personally, first-hand testify how God's love can change a person from the inside out. The love of God, the Gospel of Jesus Christ, and the fruit of the Holy Spirit are useless if only in our prayer closet. In Luke 6:46 Jesus asked why folks call Him Lord when they do not do what He says. So, we pray *and* we obey Jesus in Matthew 28:19-20 by **sharing** the good news of God's love.

OUR MINISTRY CHALLENGES

We face more ministry situations than the two of us can handle well. We try to optimize our time and energy, including learning when to say NO or NOW or WAIT. God does not let trials go beyond what we can bear, yet life gets up *to* that point to teach and test us. We continue prayerfully analyzing our life responses to workload onslaughts to improve effectiveness. We also ask God to send... continued

OUR MINISTRY CHALLENGES *continued...*

us committed local missionaries to help us work. Everything is His, so we use what He provides... and it is truly a fight of faith, as the Bible says. Another **prayer point** for you is our 'tent-making' (part-time work required to support our living). Our farm labor is challenging for us who will be 60 in a few years; we are healthier than most our age but this tent-making takes time & energy from our much needed missionary work. By God's grace, we 'kick butt' and get done what is needed for the Gospel, as God's love for lost souls is worth the cost. All things considered, we need our financial support to increase greatly on a monthly basis now to help resolve our personal challenges specifically mentioned above.

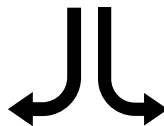

OUR MARRIAGE CHALLENGE

We are working through wonderful training called Caring For The Heart. CFTH is different than typical Christian marriage building counsel which largely depends on the worldly view of mind-over-matter / cognitive therapy. The problems with that are: God says *it is the heart*, not the mind, that is the core issue, and: 85% of all Christian counseling fails to solve the problem. CFTH uses the Bible to find the pains in the heart and depends on the Holy Spirit to heal the heart. The results are amazingly deep, fast and freeing. **Please pray us through this**, as we are in the *very process of it right now* for victory over decades-old subtleties and previously-seeming impossibilities. The CFTH ministry has a way of both defining and resolving **deep** issues... some of them never identified before, yet are strongholds! OTHER MINISTRY

Some of our June 10th Prayer Walk group friends.

Our 12 foot wide indoor city prayer map.

Prayer is easily misunderstood but it is **simple**: Christianity as God intended is not religion; it is a real-time relationship with the only true God... an absolutely amazing thing. The Bible shows prayer is 2-way but prayer in the human plan of religion is 1-way. We cannot know another unless we listen! **Keep half your prayer time for listening to God**; also read God's love letter, the Bible; then let us know what happens! We'd love to hear from you. Love ❤️❤️, Loren & Kathy Falzone
