🎆🎉 **2018 IS MAJOR CHANGE FOR US!** 📣🔊

After a few years of 'tent-making' (working part time to support our full time missionary work) it is ***finally time for all of our time and energy to go into ministry!!*** God provided the opportunity to do this now, yet we need eternal investors to ***continue*** this going forward. What is an eternal investor?

Nothing we have on earth will exist in Heaven, yet the Bible says to store up treasures in Heaven. Do you contribute to an eternal retirement fund? How often? How much? The Bible tells us that the ***wealthy people in Heaven are those who invest now in helping others get to Heaven.*** We need some eternal investors to do two things: **1) HELP support our missionary work**, as modeled throughout the Bible (monthly or otherwise), and... **2) REAP eternal rewards for doing so.** God's plan... He is serious.

God provides **JOY**, not pressure, to those who do His work. **THIS** is how we are able to live by faith as unsalaried missionaries. God is convinced we want His will, so He instructs us throughout our life. We do not know how we will afford to live in the future. We do know, however, that we are doing what **God** wants and that **He** provides where He guides. The question is: **who** will receive the eternal rewards (besides us) for ministering in Coatesville, PA, USA? We are giving **you** this opportunity today.

Imagine getting to Heaven and your life video shows you avoiding God or rejecting His prompting. Naked with nothing and too late to change anything... *you would not want that!* **Instead**, why not now seek, hear and obey God to eventually hear Him say, "Well done!" God cannot say this or reward us if we have not sought, heard and obeyed Him. Such have ***no wealth in Heaven*** - 1 Corinthians 3:11-15.

## 🎄 **MINISTRY AT THE 2017 COATESVILLE CHRISTMAS PARADE!** 🎅

Building relationships outside and inside is how we minister at the annual Christmas Parade. Every

year we make lasting friendships which keep on producing more discipleship opportunities. During this parade, a 10 year old girl, whom we had never met before, watched our outreach in action and then asked us if she could donate one of the two dollars she had just earned to help us feed the poor as she saw us doing. We had great ministry help from some local churches and our overseeing YWAM ministry base in Lebanon, PA, who faithfully ministered alongside us again this year for spiritually and physically fruitful and effective ministry. The parade was over two hours long so there was lots of potential people to show God's love to. Perhaps this can inspire some of you to reach out in your own neighborhood somehow.

♥ **THANK YOU FOR READING PAGE 2!** ☺

Missionary newsletters are current day stories patterned from what the Bible says. The Apostle Paul said Christian's lives are 'epistles read by mankind' (2 Corinthians 3:2). As missionaries, we are often reminded of the **yet-silent immensity awaiting every soul** resulting from their own decision to love God back, or not. Untouched Bibles fill dusty shelves... and the only Name of Jesus Christ in which mankind must be saved goes unshared. We see so many unnecessarily ruined lives, whom the Holy Spirit longs to fill with God's new life... which only happens when they seek Him until they find Him. **God wants us to convince Him we are serious**; then our hearts can receive and manage His blessings.

In a similar way, as our **MissionNews** paper goes to family and friends six times yearly, we never hear back from most of them. Whether dust covered or electronically deleted, we joyfully continue by His grace... albeit sometimes after fighting off discouragement. The fact that God gets His work done one way or another persuades some folks to '**not risk**' supporting missionaries. The sad part is that **this convinces God where their heart is not**, besides cutting off what could have been very large investments into their own eternal retirement fund. Whenever **fear is our lord** instead of owning the **fear of the Lord** that the Bible describes, we cut off blessings which God would have bestowed on us.

**Thank you for being a Page 2 reader!** Life gets more abundant as we trust God more to the extent of persevering all the way through to the end. The Bible is packed with this truth from cover to cover!

👉 **WE ARE MOVING SOMEWHERE NEARBY... BUT WHERE?** ✦

From Page 1, replacing our 'tent-making' with more ministry time means we now have to move off the farm we have worked at part time since 2015. **WE APPRECIATE YOUR PRAYERS** as places are few that fit our finances. This ↓ 100 year old, 800 square foot, brick-walled, converted carriage house we

have lived in for three years has been God's blessing. Kathy did a ← great job making it our home (& spent only \$4. on flowers)! Now we are trusting God for an affordable

new place to live which we can call home that is in better condition than this ↑! Believe it or not, some homeless people in our city find and live in old structures like this one ↑, in unused vehicles, under porches, in tents by the river, and even in the cemeteries. They will not show up at church; we reach out to them. Some used to have normal, successful lives, while others never have. Regardless, their precious souls Jesus saw from Calvary's cross (and cares for as much as He cares for you and I) are why we are here doing what we do. Please, and thank you for **praying for us on an ongoing basis**, and for **really considering supporting this ministry financially** monthly or however God leads you. We will thank you, God will reward you, and souls saved in Coatesville will rejoice with you in Heaven. ♥♥

**Please write to us soon! Love ♥♥, Loren & Kathy Falzone**
