🌟 **THE INCREASE IS UNDERWAY!** 🕊️

“And man shall say, “Truly, there is a reward for the righteous; truly, there is a God judging in the earth.”” Psalm 58:11. BIG thank-you to those of you who already responded to our MissionNews #26 January 2018 request for monthly support!!! By faith and obedience to God’s voice, we just DID move (see below) and we are not tent-making (working part-time to support this ministry) so that we have more time and energy for this mission field. We have been praying for workers (Matthew 9:35-38; Luke 10:1-2) **for years**, and God responded in part by allowing us to be the answer to our own prayer request by using YOUR support to free us up to minister more. This is huge! ...as is people’s eternity!

😊👉 **WE HAVE MOVED!** 🧑🏠

We moved to our new residence on March 3, 2018! Our support must increase \$2,000 per month during 2018 to cover rent, utilities, and other costs for our missionary work to continue past this year.

Here is our new home! Its 750 square feet helps us follow God’s possession management plan in Matthew 6:19-21...“Do not lay up treasures on earth for yourselves, where moth and rust corrupt, and where thieves break through and steal. But lay up treasures in Heaven for yourselves, where neither moth nor rust corrupt, and where thieves do not break through nor steal. For where your treasure is, there will your heart be also.” Our new home mailing address is: **Loren & Kathy Falzone, P.O. Box 3, Lyndell, PA 19354**

We have some new one-time needs in our new home, such as getting some curtains and area rugs (old cottage floors get cold at times!) so ‘house warming’ giving sent *directly* to us is also welcomed!

“ ” **FASCINATING FACTS** ✂️📄

Facts from **Forbes Magazine**: during the economic troubles from 2006 - 2012, three things happened:

- 1) charitable giving from those earning **over↑ \$200,000/year** **decreased↓ 5%**.
- 2) charitable giving from those earning **under↓ \$100,000/year** **increased↑ 5%**.
- 3) charitable giving from those earning **under↓ \$25,000/year** **increased↑ almost 17%**.

A 4th thing **Forbes** vaguely referred to was the influence of God. God has better records than the IRS; every one of us in every category must answer to God for what we did with all He allowed us to have in this life before we die (and possibly before then). Our **choices** determine what God says to us then.

✓👉 **VERY IMPORTANT PRAYER REQUEST CONCERNING US** ♥♥

We are going away for a week and request your specific prayers. This summer is our 35th wedding anniversary. We love each other so much more than ever before... still discovering untold blessings God put and is still developing in each other. Over the years, we found a couple sticking points which we could not resolve, so we are zooming in on them at a **Caring For The Heart** ministry location where the Holy Spirit explains and heals people simply through powerful prayer with trained ministers. **THIS** is where **YOU** get involved: **please pray for us to experience God’s full freedom, allowing us to prosper plus most effectively minister to many others.** If you have been reading MissionNews for a while, you know we studied **CFTH** material extensively and received some counsel, which has been a **HUGE** help. We love all the help we received and look forward to **ALL** God has for us. **Thank you for interceding!!!**

THIS IS PAGE 2

Our missionary organization YWAM (Youth With A Mission) is the **LARGEST** international missions organization in the world! YWAM **NEVER** pays any of its missionaries; ever! YWAM has 1700 locations globally reaching 193 nations in 97 languages: 750 locations with training schools (like our overseeing base in Lebanon, PA, USA) and 950 focused ministry locations (like us in Coatesville, PA, USA). Founder Loren Cunningham and his wife Darleen heard God's voice teach them some tough lessons about God's guidance. Read their book, "*Is That Really You, God?*" for the whole story. Loren Cunningham has been to every country since 1960 and has worked with great people including Billy Graham. Read this link <https://ywam.org/blog/2018/02/23/how-billy-graham-helped-me-and-ywam-through-years-of-friendship/> to learn more. The Bible says, "*But the natural man does not receive the things of the Spirit of God, for they are foolishness to him; neither can he know them, because they are spiritually discerned.*" 1 Corinthians 2:14. This is why some people have yet to understand that God authentically communicates with Christians... directly to our hearts in a sovereign way that we know it is not our own imagination or other source. Hearing God's Voice was the topic of our March 2, 2018 monthly Coatesville First Friday Prayer Meeting; take a look at a few of those details below...

👪🎵 **MORE MINISTRY!** 🆓🍲

We host the monthly Coatesville First Friday Prayer Meeting from 7:00 to 9:00 p.m. at our Youth With A Mission Coatesville Neighborhood Center (a.k.a. the YWAM CNC). The first half hour is arrivals, meet, greet, and eat free snacks. Then we have worship, theme presentation, and prayer. Here are a few presentation slides from our March 2, 2018 meeting where the theme was **Hearing God's Voice:**

This is a Lego® building block.

The word **lego** is a Greek word used in the **Bible** which means to "**systematically lay forth**", including when using words to explain something.

God's Voice is heard 2 ways:
God speaks using **written words** in the Bible.
Greek: logos

God speaks using **living words** through the Holy Spirit which never contradict the Bible.
Greek: rhema

Understand the **differences** between the two ways of hearing God's voice: **written logos** and **living rhema**:

We can **lego LOGOS** (systematically lay forth God's **written** Word) but **We cannot lego RHEMA** (systematically lay forth God's **individual** Word). **HOLY SPIRIT** does RHEMA

Realize that Christianity is **not** some behavior modification program accomplished by obeying the Bible:

Common Christian error: Christianity is **not** mere cognitive morality! It is submission to God's power to accomplish what we cannot. **Christianity cannot be humanly built.** It requires Lordship of Jesus Christ to start and the Holy Spirit to finish.

Next First Friday, April 6, 2018, follows up on **Hearing God's Voice... In The Darkness Of Life Storms!** God has the ironically unpopular yet perfect answer to the stress we experience within life's crises. Those who attend will be ministered to and well equipped. We can update you in MissionNews 28.
