THANK GOD AND YOU: BIG ANSWERS TO PRAYER!

Here are recent **BIG ANSWERS TO PRAYER** from God to us through you who pray for us (2 Cor.1:11):
HEALING: In past MissionNews editions, we asked God for healing and growth in our marriage. God took Loren on an almost 3 year emotional healing journey. Two primary aspects of this process were:

1) **Wrestling with God:** as the Bible often says, God knows our humanity needs to persevere through severity to authenticate His work in our life. *Time does not heal*; wrestling with God to get down to the issues of our heart is needed for true healing. Mind renewing is good but is *not healing*; only God knows our heart, and only He can give us a new one. Genesis 32:24-30; Romans 12:1-2; Ezekiel 36:26.

2) **Removing a spirit of absence:** besides supernatural healing of the heart, it was also necessary to authoritatively terminate Loren's relentless reality of disconnectedness. It was not depression, anxiety or any other name tossed about. It was a real demonic oppression that did not want Loren free, so we used the authority Jesus bought Christians over evil, removed it, and learned to live God's way so it cannot return. Spiritual authority is not renewing the mind, which is not healing; they're all different.

MINISTRY: our Marriage Discipleship small group is rich! Four couples meet together as we facilitate discussing how marital intimacy **directly** matches intimacy with Jesus Christ, our soon coming Bride Groom. From very basic relationship concepts to very advanced details, God designed marriage to help us know HIM, and not merely for us or our posterity. Without exposing personal information, we learn more of God's intention in detail for exceeding intimacy with Him and with our spouse, likewise.

MINISTRY: Loren helps lead **interactive "Church In The Park"**. It meets every Sunday of the year for the marginalized and anyone who will come; about 40 people in nicest weather to about a half dozen when it was 6°F with wind and snow. The line by line Biblical exegesis and impromptu interaction authenticates the disciple making process. Live questions and answers accomplish comprehension not available in one-way communication 'church'. The outdoor environment has real **challenges** like children playing in the playground **with great blessings** for curious bystanders. This matches New Testament Christian gatherings in the book of Acts, which we are currently studying.

MINISTRY: God keeps expanding Kathy's ministry to women. She cares for them including by being with them on **"the wall"** (as it was named by the marginalized community who sits there) in front of our YWAM Coatesville Neighborhood Center. She also meets individually with women who show an interest in the Lord. These women testify they have not experienced love like this before; it is God's love and they welcome it! **Please pray for God's timing for Kathy to begin a women's discipleship small group.**

OCTOBER 2019

UPCOMING EVENTS... ALREADY UNDERWAY!

◀ **MINISTRY**: God is expanding *The Coatesville Prayer Covenant* with regularly scheduled prayer walks. We are laying a foundation of prayer and know by experience that God opens doors for ministry to specific people in His time. We pray to be able to share with more pastors and have more Christians involved. Statistically, **most Christians have zero involvement with** making disciples: **Jesus Christ's summary command (!)** before leaving earth in Matthew 28:19-20. We help them obey God / love God back!

MINISTRY ➔: A special edition of our monthly *First Friday FURNACE Prayer Meeting for Coatesville* is happening Friday 11.1.19 at 7:00 pm.

Our focus is on thanking God for His over-the-top love for undeserving mankind with over-the-top worship of Him. We believe such intense love is worthy of such intense thanksgiving... far beyond fun family holiday traditions. Therefore we have a great worship band coming, food, fellowship and fun not attainable any other way. **FACT: Worship is the ONLY party that never ends!!!** We do not wait until Heaven to worship God **fully**: Psalm 118:24 **"THIS** is the day the Lord has made; we will **rejoice** literally translated: **spin around under the influence of violent emotion** and be glad in it!"

WE NEED YOUR HELP BEFORE 2020!

A single, homeless missionary named the Apostle Paul refused to accept God-directed missionary support from Christians. He supported his ministry by making and selling tents.¹ We are married missionaries who rent an inexpensive place to live, plus Loren works part time to help support us. No one in YWAM, our missions organization, ever receives one cent; we all live by faith. Now in our 7th year in this poorest city in the county, **we need MORE Christians with "the love of God abiding in them" to "cheerfully support us as a brother and sister in Christ in need."**² We receive support of all sizes; including offerings from some poor people, which God measures as huge, due to their sacrifice.³

By 2020, we need \$500 additional support per month, plus Loren's part time engineering job (which already reduces His ministry time and energy). More supporters equals less support needed from each supporter. If this, our minimum need, is not met within the next two months, full time employment must further reduce our Coatesville ministry to nights and weekends; ...heart-breaking.

A confession: Loren never even used to **like** missionaries, and did **not care** at all if you and your family burned in hell forever; he was happy as long as he went to Heaven. Additionally, he **still** does not like city life. Yet God has a way of opening eyes and says He exchanges a heart of stone for a heart of flesh. So there is both **personal fulfillment and eternal reward for** freely agreeing to God's will... both for us and for **all who support us**. We invite you to join our joy with monthly or one time missionary support of any amount. **Please ask God what HIS will is; through you, to us; we hung OUR life on it.** Ask us or YWAMPA.org about supporting us (electronic giving, IRS 501[c][3] receipts, etc.).

A weak (compared to what God has coming) **THANK YOU** to all our **SILENT CHAMPIONS** who allow us to minister! Your support with prayer and temporal money prepares everlasting blessings for you.⁴
